Kaden spoke about how good we are at Hillside in keeping the school environment tidy so it will be nice to give a 'helping hand' to the community. Joanne said it would probably be in the new academic year. Joanne is also to find out if Anne has equipment that we can use or whether we need to source our own. Joanne to complete a risk assessment once a date has been confirmed and to get parental consent. Joanne also mentioned about asking the local media to come along and maybe do a write up about the school councillors helping in the local community.

### 8. Wellbeing speaker

Apologies were sent from Jude as she was unable to attend the meeting. She hopes to be able to attend the next School council meeting.

### 9. Joanne fundraising proposal - Playground communication board

Joanne spoke of the school council raising money that would benefit our school community, she showed the councillors an example of what she had seen and the councillors were all very excited with the prospect of having the boards in our playgrounds. Kaden and Remi suggested some fundraising ideas; ice bucket challenge, sponsored walk, sports challenge and Emma mentioned linking it to Sports day. Joanne is going to find a price for them, discuss with SLT and further fundraising ideas would be discussed at the next meeting.
