1. Money raising idea – disco lights/Trussell Trust

JMc spoke about the need to do some fundraising especially so we can purchase our own disco lights. NE said that she would speak to Ben re purchasing good quality lights (AP1). Chocolate bingo was suggested at the end of the Spring term, where we could ask students to bring Easter eggs or chocolate in return for non-uniform. JMc to liaise with Liz (AP2)

JMc then mentioned fundraising for a local based charity and spoke about previously supporting the Trussell Trust based at St Pauls church in Longridge. KB spoke about bringing cans etc in again in return for non-uniform day. JMc explained that the council should try and get this up and doing asap as currently lots of families, elderly people etc. Struggle with money etc after Christmas. AS gave details of a contact JMc could contact at the local TT. The council decided on ‘A tin for Trussell’ day. JMc to speak with SLT (AP3).

2. Student Council assembly

JMc suggested that the student councillors present an assembly based on World Book Day, the students from KS3/4/5 to organise. (AP4). They could present about the history of world book day or talk about the plans for Hillside for world book day. Suggested date w/c 26/2/24. JMc to speak with Louise and Kerry. (AP5)

3. VLOG/BLOG/Website

Natalie came along to the meeting and briefly explained about producing a Student Council page. We all spoke about different ideas that could be posted. JMc explained that it was a tool for the student/School Councillors to utilise and that they would be responsible for keeping it updated and providing Natalie with content, things like; star of the week, outside achievements of pupils, reviews of games/films/books, adverts for upcoming Student Council events, news reports.

Natalie is going to go away and have a look and will update JMc. (AP6)

4. Recycling Project

AT presented her idea to the student council, whereby each class throughout school and college would be given a recycling bin. Students would throw all recyclables into this bin (paper, plastic, cans). Then maybe

once a week this would be taken to a designated point for a certain group of students who would then sort it, bag it, and take to the Recycling station at the refuse centre. Emma P is going to speak to SLT about setting this up and funding for bins. (AP7) RM spoke about the importance of recycling. This project would bring so much to school/college; education about recycling, responsibilities for students to take on roles of Recycling.

5. Film club

Following on from feedback re the Christmas film, the councillors decided that it would be more beneficial to host the Christmas films for those students who would come and sit to watch the film. JMc suggested booking out Hothersall meeting room on the last Friday of each half term for Film Club. NE to book the rooms (AP8). Next film club is 9th of February KS1/2 in the morning 10-00 to 11.30 and KS3/4 in the afternoon with college doing their own. JMc to purchase the popcorn (AP9) so will speak to Tuck shop for some money. JMc to produce a booking in form for the notice boards with a maximum of 20 pupils and inform teachers. (AP10) AA to do a poster (AP11). No juice, pupils to bring their own. JMc to organise set up of room and film. (AP12)

6. Ukraine shoeboxes -

JMc spoke to the meeting to say she has contacted the International Aid Trust for more information about collections etc and will update at next meeting. (AP13)

7. Student Council logo competition

JMc talked about how long we had had the current design and that with having new councillors she felt it was time for a rebrand. So, it was decided in the summer term to hold a competition, judged by the school Governors with prizes suggested by RM, MF, AA (Gift cards, tin of nice biscuits, lollipops) (AP14)

8. World Book Day

JMc explained how SLT had asked if the student council could help promote it within school/college and produce some innovative ideas. KB suggested a front cover design competition where pupils could design a new front cover or redesign a current front cover (AP15). JMc spoke about asking parents/guardians etc to take photographs of the craziest places to read a book (AP16), for example Annaya sat up a tree reading, or Nicholas led in the bath. KM and JMc agreed to host a Where's wally hunt? There would be 2 hunts: one will be a cryptic hunt and the other a colour hunt so its accessible for all. (AP17) KB/RM suggested a book sale whereby everyone staff, students, parents, taxi escorts etc. could donate old books and then the Student council could have a stall on world book day selling books for 50p.(AP18) Dress up is optional also children encouraged to bring in their favourite book to read and share throughout the day (AP19)

9. Taxi pick up feedback

KB/RM stated that it was much better, but parents are still causing most of the delays. KB asked if we could resend the leaflet. NE is going to speak with Mark and hopefully reprint it. Then the student councillors can deliver it up the taxi line. (AP20)

10 Feedback Film club, Christmas disco, games club, ICT club

All agreed that the film club was great but that there were some students there that were not interested in the film and so it was a little distracting for those who wanted to watch. JMc explained that was one of her thoughts hence why move to Hothersall and reduced numbers. AA spoke about how much she loved the popcorn. Juice cartons were not very popular so spares will be sold on the tuck shop and next time students bring their own drinks.

Christmas disco was great however we had a bit of trouble with the internet and had to scramble round for some Christmas CDs. RM agreed to create a CD (AP21) with popular disco songs in case this happens again. JMc is going to ask staff to donate any they may have at home for use in emergencies (AP22).

Games club was a slow starter, but pupils are starting to get a lot out of it and are now learning how to play. Claire is happy to continue with the current group and will liaise with JMc

ICT club has now finished as it was difficult to resource and there was not much call for it.

AOB

JMc to check with Kerry re tuck shop funds (AP23)

JMc explained that herself, KB, HZ, RM are to attend the PSFA meeting on 17/1/24 to discuss a joint venture on Longridge Field day and suggest summer fair (AP24)
