## 2024 LEAVERS

We have 4 pupils leaving in July from Years 13 and 14. Peter and Paddy will be following an education pathway. Halima and Alfie will be enjoying social care accessing activities and groups within their local community. We wish them all the very best of luck for the future in everything they do!

What a busy year it has been for both the pupils and staff! It's great to see photos of the wide range of activities pupils and staff have been involved in over the year, both within school and out in the community.

For those staff and pupils who are leaving us this week, I would like to wish them all the best for the future and ask that they keep in touch.

And finally I would like to thank both staff and parents for the support they have given to our pupils and our school community in what has been a busy but successful year.

I hope you all have a good summer.

Regards

Paul Leaper - Headteacher
